REP PROGRAM

2018 Spring Registration Open

The NSA Rep Program provides opportunities for players aged U10-U18 to further develop their soccer skills at a higher level of competition beyond house level soccer. Rep soccer requires time and commitment from parents and players.

VOLUNTEER COACHES NEEDED

Coaching youth soccer is a very rewarding experience! NSA has a comprehensive rep coach training program with workshops and clinics led by NSA technical director Brett Adams & Associate Head Coach Reynold Stewart of the Whitecaps.

NSA has partnered with the Vancouver Whitecaps who provide coaches clinics with experienced instructors and mentoring by professional coaches during the season.

IMPORTANT DATES

- Deadline January 31st - after fees will increase and U13-18 maybe waitlisted.
- Preseason Rep sessions start in February at the indoor facility.
- Outdoor season begins April.

REP PROGRAM - Deadline January 31st

Before/by Jan. 31st U10 \$140+\$30/U11-U18 \$152 + \$30
After Jan. 31st U10 \$140+\$60/U11-U18 \$152 + \$60
 Rep fee includes the House program

REP DEVELOPMENT U10/U12

Rep Development is an introduction to competitive soccer for our players turning 10 and 12 years old in 2018. Players are introduced to advanced skill development techniques in a fun and supportive environment as they prepare for playing soccer at the competitive level. There are no player cuts in the rep development program, ALL skill levels are welcome.

Parents should expect out of town travel to at least one Development Jamboree in addition to participating in NSA local Terry Walgren Memorial Tournament. **Rep Development players are also required to register and play House league soccer.**

REP U13-U18

At the U13 level the focus shifts to training and playing in a more competitive environment. House league is optional for U13-U18 rep players. Depending on registration numbers, try-outs may be required to determine team rosters.

Rep players attend on average 4 tournaments (including our local TWT tournament) in the spring season in preparation for Provincial Competitions. It is the goal of all NYSA rep teams to qualify for the Provincial Tournaments held in early July. Provincial playdowns to determine the regional champions that will represent the Kootenays are held in June against neighbouring clubs. **The House league is optional for Rep players.**

PRACTICES

Outdoor rep season runs from mid April until the end of June. Most teams also practice in September and have the option of attending a fall tournament.

All U11-U18 rep practices are scheduled on Tuesdays and Thursdays and last 1.5 hours each. The U10 rep practices are scheduled on Fridays. Practice is the most important element in soccer development and attendance is essential.
