# 1 Discipline Sanction Policy

The discipline sanction policy and its tables of guidelines are a primary means of ensuring the integrity of the game and conformity across the province in assessing sanctions for misconduct. The discipline sanction guidelines are intended to provide a uniform platform for discipline to be carried out throughout the province and convey the relationship that exists between discipline at the club, district, league, provincial and national levels and BCSA's role in facilitating timely and appropriate discipline within BC.

The guidelines are an integral extension of the Conduct, Ethics and Discipline Standards and Policy. It instructs the intended application of discipline and the approved sanction levels to be applied uniformly across the province in discipline undertakings.

## 1.1 Decision Making and Sanctioning

- 1) Decisions should be made based on the information available prior to the hearing and information that may be presented at the hearing.
- 2) The Discipline Committee has the right to withhold the decision at the end of the hearing, however the individual should be advised of the reason (Example: an extremely serious offence and the committee wishes to deliberate further).
- 3) A player or team official accused shall be permitted to participate in their next league or cup match until a decision is made, provided the automatic game suspension has been served, except anyone accused of game official assault, threatening a game official or harassment of a game official, or any other such cause that the Discipline Committee feels is serious enough to warrant an indefinite suspension.
- 4) The Discipline Committee shall have the right to indefinitely suspend any person or organization until a decision is made if they feel that there is just cause to do so.
- 5) In the event a decision is withheld, the committee upon rendering a decision shall contact the person or organization and inform them of the committee's decision. The accused shall be notified in writing of the result of the hearing in accordance with the BC Soccer Discipline Rules.
- 6) Where suspensions are game-based, the committee should not increase or reduce the amount of games suspended to mimic a term suspension.
- 7) Where game suspensions are appropriate, as for a player or a team official then the sanction should be either a touchline suspension (no interference in the game and spectating from a distance) or a field suspension (which restricts all participation with the team while the suspension is in force).
- 8) A term suspension is appropriate for Game officials and Association officials and would include touchline, ground and administrative suspension (a ban from all soccer related activities while

the suspension is in force).

- 9) Term suspensions should be assessed for cases where the seriousness of the misconduct is considered high and where the offence is exceptional; and for all game and association officials.
  - a. Assault against a match official
  - b. Combinations of violent conduct, serious foul play, threats, indecent behavior, abusive language
  - c. Where there is negative reference or discrimination to any one or more of the following: ethnic origin, colour, race, nationality, gender or sexual orientation
  - d. Failure to report misconduct
  - e. Misconduct by a Game or Association Official
- 10) Other than for one game automatic suspension, sanctions initiate the day the decision is made available to the respondent either at a hearing or when the results of a hearing are provided to the accused.
- 11) In the case of an administrative sanction, the Discipline Committee may start the sanctions up to seven days after the results of the hearing are provided to the accused and only where the Discipline Committee can show that such delay is for the good of the game and that the likelihood of additional misconduct in the period of delay is minimal.
- 12) Wherein a result of a discipline hearing is withheld, the accused shall be sent a final determination no later than 30 days following the hearing.
- 13) Particularly for youth players, educational sanctions may be considered and encouraged where a learning outcome may be likely. Examples would include anger management, referee courses, introduction to coaching, cultural diversity / sensitivity. The requirements to attend would be set out by the Discipline Committee. A letter of apology or statements of personal learning and resolution to changed behavior may be considered as well. Educational sanctions may be in lieu of or reduce game and term suspensions or be a condition of reinstatement.
- 14) The Discipline Committee can with cause sanction any participant for any term including lifetime suspension if it is determined to be in the best interest of the game.

## 2 Discipline Guidelines Related to Rule 10

### 2.1 General Provisions

## 2.2 Sanction Guidelines for Infractions of Rule 10

- BCSA shall retain the right to jurisdiction for infractions of Rule 10 regardless of the domicile of the individual pursuant to the BC Soccer Discipline Rules. In the instance of misconduct occurring outside the lower mainland, BCSA may appoint a Discipline Committee to investigate and deal with the matter in the domicile of the accused. In any such instance, the appointed committee Chairperson shall handle the case in consultation with the association’s Discipline Committee.
- The Discipline Committee shall have broad powers to sanction persons and organizations with just cause and define sanctions that are in line with the misconduct including touchline (game), field (all training and coaching related activities), full / administrative (a total sanction from all soccer related activities) and / or fines / bonds.

## 3 Discipline Guidelines for Players

### 3.1 General Provisions

- 1) A player who is sent from the field of play for misconduct or who engages in conduct for which the penalty under FIFA Laws of the Game would be expulsion from the field or game shall be suspended without hearing and without appeal, from the following League or Cup game; whichever comes first. The player having served the one game suspension shall be eligible to resume playing. The one game suspension shall be carried from one season to the next if not served prior to the completion of the season in which it was issued
- 2) If the incident that brings the player before the Discipline Committee is of a particularly egregious nature, involves an intentional or deliberate infliction of injury requiring ambulance transport or police involvement then the hearing will be conducted by BC Soccer.
- 3) In all instances of physical abuse of a match official or threatening verbal remarks concerning the safety of a game official the matter will be referred to the BC Soccer Judiciary Committee for their handling and any suspension resulting will affect both League and Cup play.

### 3.2 Accumulated Cautions

- 1) A player may receive an official caution (without expulsion) by the referee for:
  - a. Foul play
  - b. Dangerous play
  - c. Criticism of the referee or assistant's decisions, protests, etc.
  - d. Disparaging remarks about referee's, assistants, other players or any other person present at the match
  - e. Ill-mannered (incorrect) behaviour
  - f. Unethical (unsporting) conduct
  - g. Gamesmanship (time-wasting, deliberate hand ball etc.)
  - h. Temporarily leaving the field of play without notifying the referee
  - i. Other unsporting behaviour (feigning, rude gestures to the public, etc.)
- 2) If a player receives two (2) official cautions in one match and consequently is expelled the cautions shall NOT become part of the caution accumulation. The two cautions automatically constitute an expulsion. If however, after receiving a caution, the player is subsequently expelled for any offence, punishable by expulsion, the first caution shall become part of the record. The following are the recommended punishments for an accumulation of yellow cards. These are not the mandatory punishments and Discipline Committees are encouraged to use their discretion.
- 3) A player who accumulates three (3) official cautions (yellow cards) within a period of one playing season shall be automatically suspended without hearing and without appeal from the player's following league or cup game, whichever comes first. An adult player must serve this suspension

in the following game within the competition in which the cautions were earned.

- 4) A player who accumulates five (5) official cautions (yellow cards) within the period of one playing season will be required to appear before a Discipline Committee and shall be assessed a one (1) game suspension which must be served in the youth player's following league or cup game, whichever comes first. An adult player must serve this suspension in the following game within the competition in which the cautions were earned.
- 5) A player who accumulates six (6) official cautions (yellow cards) within the period of one playing season shall be required to appear before a Discipline Committee and shall be assessed a two (2) game suspension which must be served in the youth player's following league or cup game, whichever comes first. An adult player must serve this suspension in the following game within the competition in which the cautions were earned.
- 6) A player who accumulates seven (7) official cautions (yellow cards) within the period of one playing season shall be required to appear before a Discipline Committee and shall be assessed a five (5) game or 30 Day suspension which must be served in the youth player's following league or cup games, whichever comes first. An adult player must serve this suspension in the following game within the competition in which the cautions were earned. The Discipline for a player with five (5) or more cautions in a season will be referred to BC Soccer.
- 7) A player who accumulates eight (8) or more official cautions (yellow cards) within the period of one playing season shall be required to appear before a Discipline Committee and shall be assessed a minimum of 60 days suspension which must be served in the youth player's following league or cup games, whichever comes first. An adult player must serve this suspension in the following game within the competition in which the cautions were earned.
- 8) Notwithstanding, paragraphs "i through vii", where a player is not a registered youth player, leagues-in-membership may, in addition, fine registered players pursuant to the leagues discipline policies, with the exception of those players registered under youth jurisdiction.
- 9) The district or league has the responsibility of informing the club and team of the accumulation of cautions and the subsequent suspensions.

### 3.3 Player Expulsion by a Referee

- 1) Expulsion of a player by a referee for: Serious foul play; Very dangerous play; Violent conduct; Persistent protests against decisions by the referee and assistants; Leaving the field of play in protest without notifying the referee; Repeated misconduct despite a previous caution by a referee; Extremely unethical conduct; Repeated gamesmanship; Insulting players, team officials or any other person present at the match; Racist or sexist comments; or Other serious acts of unsporting conduct incur additional sanctions in ADDITION to the one game automatic (mandatory minimum) suspension .
- 2) Players may be sanctioned under Rule 10 Discipline.
- 3) Where the Discipline Committee believes there is just cause, expulsions for five (5) or more games (touchline suspension) may instead be sanctioned as a term suspension of one or more

months, and also include either a field suspension (includes a suspension from training with the team, coaching and refereeing) and / or an administrative ban (which includes suspension from all soccer related activities).

- 4) For second or third offences, or if there is progression or prolongation of misconduct, the Discipline Committee may consider a field or an administrative suspension as opposed to a touchline suspension.
- 5) Anyone under suspension for a period greater than twenty-four (24) months may request a review of their 'period of suspension' after at least one half of such suspension has been served.

### 3.4 Exhibition Games

- 1) The rules governing discipline issues and penalties states that any person or organization reported for misconduct is required to serve an automatic one game suspension and does not differentiate between exhibition, league or cup games. The penalty for being expelled from a game remains the same regardless of the situation. Standard discipline policy must be followed for any misconduct that brings the game into disrepute.
- 2) Exhibition games do NOT count as games served for current suspensions.

### 3.5 Expectations of Players

Players are the most visible representatives of the sport and must do their part to uphold the integrity of soccer. Players must:

- 1) Report any medical problems in a timely fashion, when such problems may limit their ability to travel, practice, or compete; or in the case of carded athletes, interfere with the athlete's ability to fulfill requirements under the Athlete Assistance Program;
- 2) Participate and appear on time, well-nourished, and prepared to participate to their best abilities in all competitions, practices, training sessions, tryouts, tournaments, and events;
- 3) Adhere to Canada Soccer's requirements regarding clothing and equipment;
- 4) Never ridicule a participant for a poor performance or practice; and
- 5) Act in a good sporting manner and not engage in violent behavior, foul language, or offensive gestures.

- 2) Exhibition games do NOT count as games served for current suspension.

### 4.3 Expectations of Team Officials

The team personnel-athlete relationship is a privileged one and plays a critical role in the personal, sport, and athletic development of the athlete. Team personnel must recognize the power inherent in

the position of team personnel and respect and promote the rights of all participants in sport. This is accomplished by establishing and following procedures for confidentiality (right to privacy), informed participation, and fair and reasonable treatment. Team personnel have a special responsibility to respect and promote the rights of participants who are in a vulnerable or dependent position and less able to protect their own rights. Team personnel must also:

- 1) Ensure a safe environment by selecting activities and establishing controls that are suitable for the age, experience, ability, and fitness level of the involved athletes;

- 8) Where the misconduct has caused material damage to others, the fine may include amounts in addition to cover the damages.

### 6.2 Expectations of Association Officials

While ignorance of the Laws of the Game or of the rules is not a defense, depending on the nature of the charge, it is viewed that a participant in a position of authority or trust is held to a higher standard when going beyond the norms of proper behavior; i.e. behaving in an unsporting manner or not in the best interest of the game. Notably directors, committee members and staff should be aware of various rules, regulations, guidelines, programs and expectation within the soccer playing and administrative environment; and indeed, are charged with upholding and defending the same. Failure to act properly can be tantamount to unsporting or unethical behavior and brings the game directly into disrepute and lead to charges. BC Soccer, District, League and Club Directors, Committee Members, Staff and any other Association officials must:

- 1) Comply and be familiar with the various governance documents that apply to their responsibilities;
- 2) Act with honesty and integrity and conduct themselves in a manner which maintains the

- confidence of Members and other stakeholders;
- 3) Ensure that their organization’s financial affairs are conducted with due regard for all fiduciary and operational responsibilities;
  - 4) Conduct themselves openly, professionally, lawfully and in good faith in the best interests of Canada Soccer;
  - 5) Be independent and impartial and not influenced by self-interest, outside pressure, expectation of reward, or fear of criticism;
  - 6) Behave with decorum appropriate to both circumstance and position, and be fair, equitable, considerate, and honest in all dealings with others;
  - 7) Keep informed about local, provincial and national sport community happenings, and general trends in sport;
  - 8) Exercise the degree of care, diligence, and skill required in the performance of their duties pursuant to the laws under which Canada Soccer is incorporated;
  - 9) Respect the confidentiality appropriate to the business at hand;
  - 10) Ensure that Members are given sufficient opportunity to express opinions, and that all opinions are given due consideration and weight;
  - 11) Respect the decisions of the majority and resign if unable to do so; and
  - 12) Commit the time to attend meetings and be diligent in preparation for, participation in, and follow-up from such meetings.
