

U4 Intro Mix Division

U4 Intro Mix League

Season starts on Saturday April 23rd.

All U4 sessions are on Fields E1, E2 and C1. [See Lakeside Field Map.](#)

Every Saturday @ 8.45 - 9.30 am.

In terms of equipment needed - Outdoor soccer shoes, soccer shorts and soccer socks, shin pads and water bottles are required. Jerseys are provided by NYS and it is mandatory to wear them at all times during sessions. Jersey kits will be distributed at the first session.

The format for the U4 division is a 45 minute variety of different fun games with the ball. The goal of this division is to really make soccer fun and get all team members participating in fun games. It is a great age to coach and a fun group for parents to cheer on and make, for many, the first team experience a positive one.

PARENTS PARTICIPATION IS MANDATORY AT ALL SESSIONS.
